Timorasso

MONTINO

100% Timorasso

The Montino comes from only one vineyard at an altitude of 250 meters on light and dark clayey grounds, even more optimizing the visual sensory qualities, the bouquet and taste of Timorasso Derthona itself.

The evolution and aging in bottle release intense tertiary fragrancies, where mineral and flintstones notes prevail, together with resinous and hydrocarbon scents.

Service temperature: 10°/12°
